Bill Clinton and Bill Clinton regime committed Treason all types of Treason.

Attempting to kill me at any time for reporting their involvement and forcing me to sign legal documents against my will which at one point he, Bill Clinton declared me dead in Carmen Hall dorm room. Bill Clinton gain access of my person information and from being in a public office assorted my personal information to extort and cover up his involvement in committing Treason against me and what I saw behind Carmen Hall. He used my account information to settle in or/and out of courts issues that may exist relating to this subject. Not reporting accurate reports of his and his regime involvements have caused me harm and damages to this day. I have never gotten any money for these damages that is causing me pain and mockery and threats against my life, afraid he will kill me or plan it; and you will get the same thing Helen Brach got dead.. The Bill Clinton Regime from what I had seen included groups of men, a crew, organized by Bill Clinton to act as one under his orders and command to force me to sign legal documents at Eastern Ill. Univ. in Carmen Hall. The Bill Clinton regime also included Albert Gore and Hillary Clinton, who acted with Bill Eastern Clinton Regime to give orders and where gorilla mask to enter my dorm room, who also committed previous murders on my life with Bill Clinton regime at Eastern Illinois Univ, Carmen Hall Dorm, and Charleston, Illinois 61920 in March and early April of 1977. This attempting to murder me at anytime from their involvement is because I asked for help because of what I saw and asking for help trying to use the phone. Eastern Ill. Univ. participated, hosted and cover up Treason, imprisonment and cruel and unusual punishment, yet they express to me it never happened. They have no accurate records of this ever happened to this day. Eastern Illinois University(E.I.U.), student, Dennis Sibit, who did nothing to help me when he, and Bill Clinton regime, crew members rapist # 1, who entered dorm room had raped me, beat me in my face and chest with his fist and choked me. Because I did not sign some legal documents creating pain and fear attempting to kill me if I mentioned these incident from Hillary Clinton instructions. Eastern Ill. Univ and Student(Dennis Sibit) aided and gave comfort to the enemies, and the Bill Clinton Regime when they entered my dorm room and covered it up when Hillary sexually assaults on me with a gorilla mask on as she entered and left my dorm room. The Bill Clinton regime force me to sign legal documents against my will and if I did not sign, the Bill Clinton Regime force me to from the Treason, undue process, false arrest by Bill Clinton regime member #2. Imprisonment,torture,beaten by rapist #1 fist, kicked by foot, could not use the toilet and bathroom and eat voluntarily, drugged with needles every day for a week and several days from Bill Clinton and Albert Gore. Bill Clinton regime with Bill Clinton acted to force golf balls (large golf balls into my mouth and ducked tape my mouth close with duck tape, tied my feet and hands with rope so I could not scream for help or get help. Hillary Clinton tossed large pills down my throat while Bill Clinton regime, crew member #2 held my hands and hit me with a rubber instrument impacted my head causing me damages, brain dysfunction and slow to respond to many issues financially, physically and emotionally. This was until Military personnel arrive on campus and telling them to punish me with his corruption; and only to be told I would be saved and this was never reported correctly. These conditions existed and the principal of the matters still exist. This cruel and unusual punishment upon me also obstruction of U.S. Constitution and violation of my right to this day creating damages that is taking place now. Just like he done my mother and me in past, when I saw Bill Clinton rape a little girl, who lived in the same building about 7 or 8 years old. named Brenda Saunders on 56th Prairie with my sister Judy A. Burney about 7 years performing licking on his penis also. Bill Clinton knocked me into a brick wall with his fist in the basement and caused a series of nose bleeds when I tried to pull my sister from him. I managed to get up and call the police. He would sneak around and entered our apartment several times when I was about 6 years old and hold me against my will to create fear so I would change my report. Theses Bill Clinton surprise attacks violating my rights, created damages that is taking place at present(2017 etc). That is one reason it should be presented in the northern district court system. The Bill Clinton regime begun to inflict fear and pain on me at Eastern Ill. Univ. with no corrected reports ever written report. It begun when I saw a lady,(believed to be The Candy Heiress, Helen Brach), behind Carmen Hall Dorm being held in a choke hold with a gun(shotgun) aimed at her head from a blonde headed white man, inches taller than Helen Brach,who was wrapped in a blanket told me to get back or he would shoot me and her when I stepped closer and asked him to let her go. He refused and said to step back. I told him I was going to call the police. Thats when I was falsely arrested by Bill Clinton regime, escorted to my dorm room in Carmen Hall could not use the phone or ask for help. Bill Clinton regime followed Bill Clinton Command controlling the dorm, Carmen Hall, my room on 6th floor and in/outside dorm and force them to follow the Bill Clinton regime orders not to interfere or help me(Michelle E. Burney). Bill Clinton and Albert Gore held me hostage in liquor store, drove me to store and from store in stolen car threatening the driver, robbed me or clothes, shoes, checkbook., I had on a gown. They force me to sign a check for liquor with a gun(shotgun) between my ribs from behind me by Albert Gore. He attempted to kill me again at dorm with his gun aimed at my head me on ground by dorm. I was shot at in Carmen Hall dorm 6th floor Hallway by Bill Clinton regime #3 for leaving the dorm room to use the bathroom. Blood and feces accumulated on me while I watched my body deteriorate, which reduced my quality of life also from this day damages. I could see, hear and think. The Bill Clinton Regime wrapped me in a sheet while I was drugged, taken to the stairs to fall down them from the 6th floor. Bill Clinton regime created accidents, slowness, damages to body and mine, people to see me as incompetent. Inflicting fear, pain bodily harm, people mockery of me; and mind trickery, saying it did not happen, she's crazy. Fear from surprise attacks and attempts of murder on my life from Bill Clinton and Bill Clinton Regime from this day. Due to reports never accurate, changing personal information to cover up this reported and their pestering, this mockery because they never had to face the principal of the matter of the conditions of hatred, treason and aftermath in the court system or pay for this imprisonment and their involvement.

10. Plaintiff further alleges as follows: *(Describe what happened that you believe supports your claims. To the extent possible, be specific as to your own actions and the actions of each defendant.)*

10. Plaintiff further alleges as follows: *(Describe what happened that you believe supports your claims. To the extent possible, be specific as to your own actions and the actions of each defendant.)*

Ultimately, the Jurisdiction code 18 U.S. Code § 1512 - Tampering with a witness, victim, or an informant and would like to add this as a reminder that I am a victim (Michelle Burney). Tampering with evidence by concealing the facts at Eastern Illinois University as defendants are doing. I would like to present this as relevant to my case. I also presented this to the Hibbler Pro Se program. I saw four different people and I believe they had been influence by one of the defendants at the Hibbler Pro Se Free Program. One of the representative, who I spoke with was Karen Doran, who, wanted me to take one of the defendants out of my complaint, and then stated that he will come later when you present the case. I also was not told which code tampering with evidence would categorizes as, but know I tried to speak, regarding covering up facts in my complaint only to be told by those representatives that I did not have a case and they cancelled future appointments. I asked Karen Doran for her supervisor information and she stated to me, "~~Do not make a complaint~~ if you want to make a complaint. Because I asked her that I would like to make a grievance, and how do I make one or a complaint. She, Karen Doran gave me a sheet of paper with information. I also spoke with their supervisor (Miguel K.) approx. July 31, 2017 who stated they did not think I had a case and that I refuse to listen. Only to be told by this supervisor Miguel K. at the LAF (legal Aid foundation), we only employ two people so who did you speak to I told him and he dismissed evidence and stated we cannot help you, do not call here again with a complaint or any other reason. The Human Resources dept. at the Clerks of Circuit Court of the Northern District also told me to call the legal aid foundation which did not make any sense to me after talking to Alex. Aug. 1, 2017. After I told him what the supervisor Miguel at the LAF told me (Michelle Burney).

10. Plaintiff further alleges as follows: *(Describe what happened that you believe supports your claims. To the extent possible, be specific as to your own actions and the actions of each defendant.)*

11. Defendant acted knowingly, intentionally, willfully and maliciously.

12 As a result of defendant's conduct, plaintiff was injured as follows:

Attempting to kill me, threats for mentioning their involvement(The Bill Clinton and his Regime following his orders and commands) from what I saw is causing me problems and no money damages ever rewarded for these treason's upon me. Pain and suffering from mockery, sexual aggravated assaults and insults from reports covered ups with no accurate reports. Also causing financial troubles and job losses and isolation from their involvements, and wanting a decent career as a doctor was not possible from his surprise attacks Some people knowing and keeping it a secret from fear of being killed and heckled. Threats on my life in 1977 and threaten to harm me after attempts to kill me , threaten my life for reporting their involvement and if they have to pay for their involvement. They keep as a secret. Also, the cover up of treason, imprisonment and a crime that I saw, a lady being held against her will that no one seem to care about wrapped in a blanket that could have been prevented. I believe it was Helen Brach still missing to this day.

Attempting to murder me by torture, and cruel and unusual punishment in a dorm room at Eastern Illinois University while injecting me with a poison or drug. They were not doctors neither. I am still being pestered , mocked by their secrets and silents on this subject with mockery they keep and never accurately reported(she needed some that's why she was raped, she is crazy(me not knowing why the mockery),she is a whore from the gardens, whore nigger, she stole that rock, she got my teeth knocked out, she will winded up like Helen brach, she's nothing but a vegetable, she is stupid look where she lives , don't even own a bed, Bill Clinton and Hillary might kill me too if I say something about it, I tried to help her, what a waste, she's just like Vivian, Where is your big Black mamma now she can not help you.). Bill Clinton have help define a name for me for the public to use. If I do nothing now it will continue to bring sorrow. Bill Clinton and his regime, and defendant's etc. Mind trickery, corruption at Eastern Illinois University and mockery follow me to this day. This is almost as being enslaved by them and obstruction of the United States Constitution causing corruption of police Eastern Illinois, with Bill Clinton groups of men , organized to form a Bill Clinton Regime with others following his orders. This cover up makes this crime relevant now because it can always happen again and it could be me again because it was never settled, reported, and dealt with correctly on my behalf. My education was not free nor is my living arrangements. I asked my mother and family then for money. This happened because Bill Clinton intent was to make me afraid, looked at differently and me to settle for this pestering secrets of hatred that I can not comprehend, and treason. Lessen my full potential and worth in society. The corruption toward me and the government still covered up that tampered with evidence.
